

# DID YOU KNOW?

**Did you know that almost 65,000 children in Palm Beach County wonder if they will be able to eat 3 square meals a day at the weekend, when they're out of the Monday-Friday school lunch program? Or have a snack sometime during the day?**

Welcome to the world of the "food insecure" population of what most of us think of as a higher income neighborhood. **Feeding South Florida**, a leading domestic hunger-relief non-profit organization, wants to expand into Palm Beach County in 2013, its BackPack program, a signature child-hunger-relief effort. BallenIsles Charities Foundation has the opportunity to fund one or more classrooms in a Palm Beach Gardens Title 1 funded elementary school. Feeding South Florida will assure food gets directly into the hands of children most in need by delivering non-descript packages carrying nutritious, easy-to-prepare, child-friendly food, so that teachers can put the pouch into a child's own back pack on the last school day, before a weekend.

This is just one aspect of our efforts this year. Find out how **you** can be a part of 2013 visit us at: <https://www.facebook.com/BallenIslesCharitiesFoundationInc>
