

DID YOU KNOW?

Did you Know that about one baby is born every hour addicted to opiate drugs in the United States? Add prescription drug abuse, alcohol, marijuana, and other illicit substances and the number triples. Withdrawal for a newborn is long and painful and is often accompanied with long-term physical and emotional problems. **The BallenIsles Charities Foundation supported “Mothers and Infants in Treatment Together,”** a program at **Gratitude House**, a local West palm Beach residential & outpatient center for substance abuse. Our 2012 Grant helped further the goal of having all babies born drug-free to pregnant women enrolled in their yearlong residential program. In December 2012, Extraordinary Charities, an organization designed to evaluate local non-profits, recognized and endorsed Gratitude House in their Annual Giving Catalogue. Let’s continue our support in 2013!

This is just one aspect of our efforts last year. Find out how **you** can be a part of 2013.
