*Helping to Make a Difference*

## DID YOU KNOW?

### Did you know that some of our West Palm Beach Firefighters helped at Ground Zero in 2001?

This experience so moved them that they now volunteer each year to arrange a relaxing, enjoyable weekend for several 'Wounded Warriors.' These are our military men and women confined in multiple-year rehab facilities, recovering from their service to our country post 9/11.

The BallenIsles Charities Foundation was equally moved and our Grant in 2012 helped our local **West Palm Beach Waterfront Warrior** organization arrange a few days of Florida sunshine for some of the men and women in our armed forces, who will spend years recovering from their injuries in service to our country.

This is just one aspect of efforts last year. To find out how **you** can be a part of 2013 visit us at:
