

Did You Know? Caridad Center

Did you know that the **Caridad Center** is the largest free health clinic of its kind in the State of Florida?

With the help of over 400 professional and medical volunteers, **Caridad Center** provides comprehensive health and dental services to the uninsured, working poor families of Palm Beach County, Florida. We learned that Florida has only one dentist per 9,800 Medicaid providers. This means the children of the working poor, day laborers and the indigent cannot easily access dental care in the market place. At BallenIsles, we all know how important oral health can be to overall health and well being. Our 2014 grant of \$10,000 supported comprehensive dental care to 20 children at the **Caridad Pediatric Dental Clinic**.

This is just one aspect of our efforts. Find out how **you** can be a part of 2014. Just visit us at www.BallenIslesCharitiesFoundation.org or call us at 561.625.5701 or email us at info@BallenIslesCharitiesFoundation.org
