

BALLEN ISLES CHARITIES FOUNDATION is a proud supporter of **Love Serving Autism**. How wonderful to be able to see an activity so many of us enjoy right here be used to improve the life-skills of these children.

"Love Serving Autism has been a great, positive experience for David on and off the court. He has learned skills and the rules of tennis, spoke to tennis professionals and went to some big tennis matches, in and out of state."

-Jean Brown, parent

"Love Serving Autism has provided a wonderful atmosphere for my son to be active and part of a team. He has made great friends and Saturday mornings on the courts are by far his favorite part of the week!"

-Samuel Jolley, parent

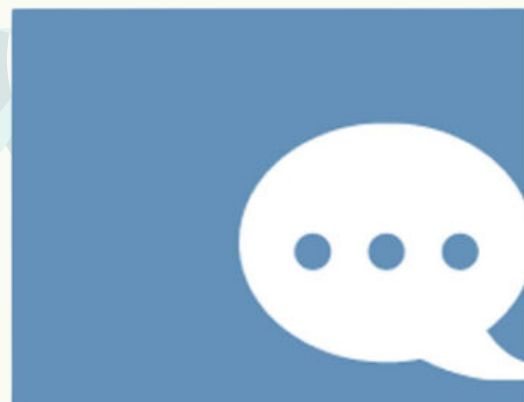

"We never thought that Antoine would participate in any sports until we tried tennis with LSA."

-Elizabeth DeCuba, parent

"LSA has made me realize that everyone has the same potential. My job is to help the children learn, but they have taught me more instead."

-Sahil Iyer, volunteer
