As you grow older, you will discover that
you have two hands
– one for helping yourself,
the other for helping others.
~ Audrey Hepburn

Dear Neighbors,

To be good, you must do good. And, dear neighbors, you are fantastic! Whereas we live in a bit of a bubble here in BallenIsles, it is not that we don't have big and small challenges that arise from time to time with which we must contend. Still, we have a safety net around us – a cohesive community, beautiful surroundings, many opportunities to recreate and enjoy without ever having to leave our gates. Sadly, that is not the case for many of our neighbors in Palm Beach County. More than 158,000 county residents struggle with food insecurity; over 48,000 are children who do not have enough to eat on a daily basis. The poverty rate in the county is 11.6% and on any given day there are up to 4,000 homeless individuals. So...the local need is indeed great.

And that's where your Charities Foundation offers a helping hand. Your generous contributions, along with those of our corporate sponsors, made it possible for us to award \$1,236,000 in grants this year. Fifty-three financial grants were awarded to programs that met our stringent vetting criteria and, in addition, we provided four Impact Grants. An Impact Grant is provided to a nonprofit organization for a one-time project, program or purchase that makes a priority target impact to that organization or to the community that organization serves.

The Foundation's focus is to support programs that meet critical environmental, civic, health & human services and educational services to our local neighbors. The programs we support range from providing service dog training for disabled vets to offering beds to children and families of the working poor. We also provide financial help to local food pantries and shelters and programs that offer music and art therapy for children and adults with severe developmental disabilities. And much, much more.

Our 2023 Impact grants went to four organizations:

1. PBG Police Dept for ballistic-level body armor plates to protect officers,
2. The Reef Institute for material support for growing baby corals to save Florida's dying coral reefs,
3. PBG Police & Fire Rescue Foundation to provide emergency financial assistance for first responders and their families,
4. Children's Home Society to add 12 additional beds to the Safe Harbor Shelter.

All this, because of you, dear neighbor! But that's not all... Besides those who volunteer their time to the Charities Foundation Board and Committees, 226 residents volunteered to help at various Community Service Programs. The organizations that welcomed your hands-on support included: Special Olympics, Back to Basics, Feed the Hungry Pantry, Habitat for Humanity, In Jacob's Shoes, and the PBC Food Bank. Thank you for recognizing that you Make a Difference. Because you do! Dear neighbors, you are fantastic!
