“No one has ever become poor by giving.” ~ Anne Frank

Dear Neighbor,

Your Charities Foundation has the lofty mission of rendering financial and in-kind support to civic and not-for-profit organizations within Palm Beach County that assist, encourage, and promote the well-being of the residents and communities outside our gates. Since 2011, due entirely to your support and our business sponsors, we've assisted Civic, Health & Human Services, Environmental and Educational programs with cumulative grants in excess of \$8.3 million.

This year you made it possible for us to provide 59 grants, plus two additional one-time impact grants, to the tune of \$1.35 million. This is amongst our highest totals ever! And every single approved grant recipient was first vetted with in-person visits to assess the value of the program to the community and the financial health of the requesting organization. All this is done by volunteers and experts who reside within BallenIsles with no paid staff.

In addition to our monetary awards, we offer Community Service opportunities whereby our residents can volunteer their time, expertise, and a helping hand at local organizations – from feeding the hungry to building homes with Habitat for Humanity, from assisting at Special Olympic events to wrapping presents for children during the holiday season. All this and more are accomplished because of the incredibly generous donations (of time, money, and a little sweat) on the part of our community residents.

We are awed and incredibly grateful to all of you. Turn the pages to find out who these angels are!
